

Radio Announcer Application

Mission Statement: WWMV-LP 95.5 builds community by bringing together the full richness of our community to share their gifts, talents, perspectives, and cultures. In partnership with local schools, colleges, community groups, and neighbors, we create opportunities for people of all ages and from all walks of life to develop their own voice and learn new skills.

In order to build community by sharing diverse voices and talents, we are seeking volunteers who would like to host their own radio show of their choice. Shows can be music, talk or both and can be pre-recorded within our studio at LCEC or in your home. Are you the next WWMV-LP announcer? All ages and backgrounds are welcome.

1. Interested volunteers meet with the Radio Station Manager for discussion, announcer application, and volunteer paperwork
2. Volunteer meets with a programming team member for program development and application completion
3. Volunteer attends a radio orientation and submits completed application
4. Team chooses new shows based on the radio station's mission, vision, capacity and diversity.
5. Team trains and assists selected announcers

All announcers must attend a radio orientation and fill out application

All announcers interested in doing a live show must go through Live Show Training and do 2-3 pre-recorded shows
